

The FDA in HMRC

A union for grades HO and above

The FDA represents managers and professionals in HMRC from grades HO and above, including those on the Fast Stream and Graduate Training Programmes. We are one of the fastest growing unions in the UK and by joining the FDA, you'll be standing alongside more than 22,000 other members.

FDA members working for HMRC belong to our ARC section.

If you are a HO grade or above, here's why you should join:

- **Helping you to get a promotion**
The FDA has a great track record in helping members to progress their careers through our targeted Success Profiles offer. We have a whole suite of specialist courses to help you be successful.
- **Free, high quality learning and development**
Last year the FDA helped over 3,000 HMRC staff develop their careers through providing high quality leadership and management training.
- **Providing excellence in individual representation**
Whatever your workplace issue, we will advise and act on your behalf, supporting you every step of the way.
- **Negotiation**
We fight and win for you on pay, pensions and terms and conditions.
